Bindloss

Mr. J. McNeill is stocking up his new store. He has everything in fine shape and the building looks "prima."

Mr. Rutter is a busy man these days. He is hauling lumber and helping the business men by hauling freight from the "depot." Wonder where the freight house is?

Oats are not accepted at the elevator here, wheat is coming in too rapidly for them to handle oats. Farmers are building bins at Bindloss for storing their oats. Hurry up with that other elevator, we want you in the worst way. A third elevator is badly needed.

The restaurant is coming along very nicely with the assistance of Mr. Heinzerich, who is helping in the work of building.

Mr. P. Spaanen's wheat went 47 bushels to the acre. But he isn't the only one. Oh no, Potey. Higher yields have been raised ranging from 50 to 60 bushels. A field of Mr. Lindelof's wheat went 50 bushels.

Four engines, all in close range of one another are pounding away south of Bindloss. They are threshing outfits—Mr. A. Keith, Messrs. Curran & Dalbek, Mr. N. Dalbek and Tucker & Brecken. There is still a big field for them to thresh.

Mr. and Mrs. R. Hall have taken up their residence in the Smith house, which they have rented.

Mr. R. Hall has extended his store, and the store is now quite a size.

Mr. Fred. Strom is erecting a house on his farmstead, size 22 x 24. Who is going to be the lassie, Fred?

From what we have heard coyotes have got away with a number of lambs from the Falconer farm. Strict watch is being kept and no quarter is to be given Mr. Coyote.

Mr. Frank Phillips is loading a car of wheat. Frank was well pleased with the threshers' returns.

Messrs. H. J. Moore, R. McDonald and Samuel Fee purchased cows from Mr. A. L. Insley.

Mr. Cool is constructing a house for Mr. Frank Staphors. Hurry Frank, time is getting short.

Not Loquacious On Bridge Subject

J. A. McColl, M.L.A. for Acadia, was the guest of friends and relatives in town on Sunday last. Mr. McColl made an inspection of the approach at the west ferry with a view to having the grade cut down and other road improvements made in the vicinity. Mr. McColl was not the least bit loquacious on the subject of a traffic bridge across the Red Deer River here. We were informed, however, that in talking to Mr. Peers, of Acadia Valley, Mr. McColl made the statement that "he expected the Prov. Government would put in the piers for the bridge this fall." This sounds all right if true, but in the meantime something more definite than "expect" is wanted. Farmers and business men should see that they get definite assurance.

Jimmy Clement Makes Good

Wins Military Medal. Lying in London Hospital With Wounded Knee

According to the latest list of Canadians honored with the decoration of Military Medal, Jimmy Clements is among those who have won the coveted prize. Lieut. J. F. Clements has been wounded five times already, and is now lying in a London hospital with a gunshot wound in the knee. He left Calgary with a local unit last year and has since seen considerable fighting on the west front. Lieut. Clements gained his promotion to the commission ranks on the field.

Lieut. Clement was formerly a member of the Quebec Bank staff here and later was an assistant in the old Bank of Montreal post office. Some trouble occurred and Jimmy was the man blamed. He, however, had the sympathy of the people. The affair was smoothed over and Jimmy rejoined the staff of the Quebec Bank at Calgary. The war has given him his chance and people of this district will be proud of the honor he has earned. His mother resides at 124 Seventeenth Ave., west Calgary.

Ferry Returns Are Large

Ferry crossings over the west ferry for the month of September once more stack up large. The total number of units crossed is 5,408. This is 360 units more over the returns for the month of August.

Redcliffe Riding To Raise \$5,000 For Patriotic Fund

On Saturday, October 21, Capt. Pingle called together a representative gathering of five wives in the little town and the following executive was agreed upon to represent the riding: Hon. President, Capt. Pingle, President, Dr. S. F. McEwen, Alderson; vice-President, Mayor Bott, Redcliffe, secretary-treasurer, Rev. T. Taylor, Alderson; Committee, A. J. Drummond, Alderson, J. C. Reed, Suffield; W. Hatcher, Redcliffe, Mattin Olman, Idlesleigh; A. E. Webster, Jenner; M. A. Blodgett.

Read This Then Look at the Label on This Copy of Your Paper

Gentle reader, you who owe us for this paper you are reading: Did you ever see an ontario's pocketbook? Well, it is just as fallible and prone to emptiness as those of other common mortals. The newspaper business hasn't yet been brought to that degree of perfection that it can be run without expense, and until that is successfully done we shall be under the painful necessity of asking you for a little cash now and then, especially now. We have been patient—in some cases long suffering—knowing that your pocket books were about as lean and lank as were our own. But now, the harvest is passed, and some of you have sold your wheat. Now that the big, round dollars begin to jingle in your breeches pockets, please remember that vacuum in the editorial purse. Look at your label!

Empress: M. Schuler, Schuler, P.O.

The organization of local committees will start immediately and every schoolhouse will be made the centre for patriotic effort. \$5000 is the mark set for the riding.

In connection with the above we have handed the following communication by Mr. M. A. Blodgett, which confirms his appointment as a member of the Committee:

"Southern Alberta Patriotic Fund

Branch of the Redcliff Riding Alderson, October 25, 1916

M. A. Blodgett, Esq.

Dear sir:

At a meeting in Alderson, last Saturday, Capt. Pingle made an effort to start organization in this constituency for the Patriotic Fund purposes. A live representative committee is a prime necessity. Your names was chosen to represent the Empress District. Hope this will meet with your approval.

Capt. Pingle hopes to visit all points in the near future to organize local branches.

Yours truly, T. Taylor, Sec.-Treas.

PANCRAS PARS

The elevator was filled up last week and grain buying was at a standstill, but with seven cars spotted last Thursday the trade is in full swing again.

Miss Edginton's friends will be glad to know she has quite recovered from her recent illness.

At a cribbage match held at A. Ferguson's between the north and south side of the track, the scores tied, four games each. This was the first game of this season.

Mr. Plaxton is building a garage in town, where the car owners can have repairs done. We wonder if his rival can put in his car when it comes.

The Co-op. Co. are making up a car of coal and a car of lumber this week.

At the annual meeting of the Pancras Assoc. of farmers three new directors were elected for a term of 18 months. These were Messrs. C. Price, O. Plaxton and E. Humes. After a lengthy discussion the hall was fixed at \$1x34, to be erected on the townsite. Mr. H. W. Saul occupied the chair.

Some Chickens (Party)

One of our citizens received the following invitation this week:

"Mr. Botsford, will you kindly come to your chicken party and oblige,

Alvora Northcott
Della Trail
Irene Pullin
Maud Watt
May Plumm
Helen Shepherd;
Edna Peters"

Incidentally with the above, it might be mentioned that the "spooks" visited Mr. F. Botsford's chicken house Halloween night. Four fowls should make a good meal and we have still to hear of anyone going shy of "tuck" at the party.

Thanksgiving Service at Josephine on Sunday

Rev. W. Sangwine, of Alaska, will conduct a thanksgiving service at the home of Mr. McCurdy, at Josephine, Sunday, November 5th, at 7 p.m. A collection in aid of the Red Cross will be made. Warm welcome extended to all.

The dance held in the theatre building on Thursday last, was well enjoyed by those present. One of the visitors on changing his shoes found an objection in each of them in the shape of a full-flavored anciently laid egg, which reclined, buzzing far from pleasantly in the toes of his shoes. 'Whew! there was no need of a post mortem, there was every evidence that there had been 'fowl' play, without a doubt the eggs were relics of a pre-historic age, but in a wonderful state of preservation. The owner of the shoes failed to see the joke.

Alderson, Oct. 24.—Last year the Redbird riding was linked up with the Medicine Hat district for the Patriotic Fund campaign. The reason was that Capt. C. S. Fingle, M.L.A., for the riding was serving with the troops at the front. This year the Captain will be able personally to supervise the organization of the district, and wishes to make Alderson the headquarters of the executive committee. The reason Alderson was chosen seems to be because of its patriotic record of last year.
